Game Today—Sixth vs. Ninth at Thirteenth and D streets northeast.

Yesterday's Result—Hamline, 6; Peck, 3.

Though it lost, Peck put up a masterly game. St. Martin's, who had done not batted in the eighth and ninth, the score would have resulted in a tie instead of 5 to 3 in favor of Hamline.

Dore, Hamline's last-out, pitched for Peck, and had his old team mates worried. In the first inning with the bases filled and none out the blonde fancies Sabins and Miller in order.

Each team made two double plays, but the most sensational of the quartet came in the eighth. At this period Hamline had the cushioning crowd of one game. When Wheatley met the ball on the nose and drove it to deep right, Steininger ran into the street, scrambled the sphere in his gloved hand and recovered himself sufficiently to relay the ball back to second in time to double Goodman.

Game today—No game scheduled.

Yesterday's results—Law, 14; Operating, 12, at South Diamond, Ellipse.

Law broke in the win column yesterday by trimming the Operating squad in a fiercely fought game. Score, 14 to 12. Operating appeared to have the game clinched in the initial rounds, and in the sixth the score stood 3 to 1 in their favor. The Lawyers had a furious rally in the sixth and seventh innings, overcame the lead of their opponents, and won out.

Both pitchers did well, considering the ragged work in the field, and with better support would have made the game closer. O'Brien, twirled a creditable game, but he was hit in the final rounds after numerous errors by the fielders had filled the sacks. Williamson was Manager Quinn's choice to bat for the opponents, but gave way in favor of Terry in the fourth round, who held the Operating bunch to three hits in the remaining rounds.

Scrivener caught a clever game for Law. In the sixth inning he ran back and nabbed a high one from Garrett's bat. He did not have many chances to throw out men at second, but held the twirlers up in good style.

Game Today—Olives vs. Tanglewood at Thirteenth and D streets northwest.

Yesterday's Result—Georgetown, 9; Spartans, 7.

For six innings it looked as though Spartan had the game well in hand and would win out over Georgetown. The seventh inning found Georgetown collecting four runs, which with one other, proved enough to win out by 9 to 7.

Spartan outdid the Georgetown team, but were unable to field up to the batting standard. The eight errors were made at times when they did the most damage.

Olives and Tanglewood play this afternoon. Olives is anxious to put as much distance between it and St. Stephen's as possible and will present a strong team. There was genuine regret that the rain knocked out the game with St. Stephen's on Wednesday.

Both pitchers yesterday had hard sledding in the manner of treatment. They were pummeled hard and while each struck out a creditable number many were given bases on balls which were turned into runs in many instances.

Eleven base runners stole on the catchers. It is getting so that all a runner has to do is to get on and he is almost sure to walk around. Base stealing records are higher in the league than almost any other in the city.

The Marquette League failed to play a game yesterday, as it has done all week. Conditions in the circuit are in a chaotic state, with the big officials out of town. The Chesapeake & Potomac Telephone Company put in the appearance with a full nine, had a photograph taken, and departed. Government Printing Office had but one or two men present. The little band of faithful fans, who have loyally supported the teams all season have been turned away in disgust often of late. It is a sad state of affairs when it is recalled the Marquette League was several years ago. Lack of patronage may be traced to the selection of the grounds at First and W, where it had to build up a band of rosters in opposition to the Independence League.

Game today—Berry & Whitmore vs. Southeast Y. M. C. A. at Georgia avenue and Kenyon street northwest.

Yesterday's result—Herald, 11; Andrews, 1.

The Andrews nine, which has been leading the league up to the first part of the week, received a severe jolt yesterday afternoon when it was defeated by Herald, by the score of 11 to 1. The Canaries made bad errors, which practically lost the game. The atmosphere was filled with cheering throughout the contest, and there were almost as many ladies among the spectators as men.

The players were entertained at an open moving picture park last night, at Ninth street and Pennsylvania avenue southeast. The proceeds will go toward the benefit of the Commercial League. An unusually large crowd was present.

This gives the Newsboys a better hold on the championship.

There was really some hope for the Canaries up to the fifth, but in this round the Newsboys scored five tallies as the result of five hits, including three doubles, which were made by Walsh, Keane, and Dyer.

Manager Bates Davis says that he is going to protest this game as the game was played with an unofficial ball and that the umpire's decision of Crabbe's hit to right in the fifth inning was away off color. There was much time taken up by this unnecessary row when Umpire Flynn called the ball a fair one and many thought it was foul. During the heated argument a real fan, "Tony" Wright, had a fit and was taken to his home.

"Reggie" Rawlings shot 'em over in grand style for the Newsboys, fanning ten men and only allowing three hits. He also handled seven chances well.

Johnny Dyer attracted much attention at the short station for the winners, getting four hits, including two doubles, stealing three sacks, and accepting five chances in fine style.

Joe Mulvey, at short for the Canaries, played the best ball on his team, as he handled nine chances without an error, many of which were hard ones that he brought down singled handed. He also got a hit, and purloined a cushion.

Quantrell, who twirled for the Canaries, could not stop the heavy hitting Newsboys and allowed them thirteen hits. He fanned four men, got one of his team's four hits, and accepted two assists easily.

Cramps, Dysentery and Diarrhoea

Warm weather, bad hygienic surroundings, indigestion, exposure to cold or wet while in a run-down condition, eating unripe fruit or drinking impure water will cause cramps, dysentery and diarrhoea, which if not promptly checked get rapidly worse and end by the patient dying from exhaustion.

Build up and strengthen the system by using Duffy's Pure Malt Whiskey regularly and avoid the attacks of dysentery, cramps, cholera, congestion, diarrhoea, sunstroke, heart failure, malaria chills, fevers, heat prostrations and all other summer complaints which are so common.

Duffy's Pure Malt Whiskey is an absolutely pure distillation of malted grain, great care being used to have every kernel thoroughly malted, thus producing a liquid food tonic and stimulant, requiring no digestion, in the form of a medicinal whiskey. Its palatability and freedom from injurious substances render it so that it can be retained by the most sensitive stomach. It brings into action all the vital forces, it makes digestion perfect and enables you to get from the food you eat all the nourishment it contains.

Its gentle and invigorating properties influence for good every important organ of the body.

Ministers of the Gospel, doctors of medicine, nurses and people everywhere unite in commending Duffy's Pure Malt Whiskey—a perfect tonic stimulant, the one true medicinal whiskey. It is a promoter of health and longevity, makes the old feel young and keeps the young strong and vigorous.

All druggists, grocers and dealers, or direct, \$1.00 a large bottle. Be sure you get the genuine; substitutes and imitations are injurious. Write for medical booklet and doctor's advice, both sent free. The Duffy Malt Whiskey Co., Rochester, N. Y.

Game Today—St. Paul vs. St. Martin, at Lincoln and Rhode Island avenues.

Yesterday's Result—Manhattan, 5; Twining, 6.

The largest crowd that ever gathered to witness a baseball game on McDevitt's Field congregated to see Manhattan defeat Twining 5 to 6 in a seven-inning contest. Manhattan won the game by a slugger that drove one of the Twining pitchers from the box.

Engel started for the losers and pitched sterling ball until the fifth, when his opponents got to him for six hits, and with five runs took the lead. Brady relieved him in that session, and in the seventh he, too, was a victim of Manhattan's heavy onslaught, and was found for two long hits, a homer and a triple that won the contest.

Norman Kraft got two hits, one a triple which won the game.

Game today—Brightwood vs. Takoma, at Petworth, D. C.

Yesterday's results—Brightwood, 7; Takoma, 2.

The same teams will play this afternoon, and another large crowd is expected to be present. Birch or Robertson and Murphy will work for the Brightwood, while Bladen and Miller will compose the battery for the Takoma nine.

In a slow and uninteresting game yesterday afternoon Brightwood defeated Takoma for its seventh straight victory, the score being 7 to 2. The game went only seven rounds, and toward the last the players lacked the life and vim that usually marks the Suburban games. Each team recorded five misuses.

Murphy and Plunkett starred for the winners, while Ruppert and Nau did the best work for the Park boys.

Game Today—Midways vs. Kenilworth, at Petworth, D. C.

Yesterday's Results—Sewage Pumping Sta., 4; Aloysius, 1.

Grounds—First and M streets northeast.

As was expected, the game between Aloysius and Sewage Pumping Station yesterday developed into a pitching duel, with honors equally divided between Earle Moore and Bob Kummer. While Kummer outpitched him in the matter of hits, Moore displayed better control in critical situations, and this virtue gave him a 4 to 1 victory. Kummer was unlucky in the fact that the Pirates bunched two of the three bingles they secured off him in the opening inning, and these hits combined with a costly pass were responsible for two runs.

Symmanoski made a pretty catch of Taylor's line drive in the fifth inning that resulted in a double play and a promising rally in the bud. One run had already come over the plate and there were two men on the bases when the catch was made.

Game Today—Washington Loan and Trust vs. American National, at north diamond, Ellipse.

Yesterday's Result—Commercial, 21; National City, 6.

Commercial National took the lead yesterday by defeating the National City team by 21 to 6. S. Seay, of the winners, held his opponents to two hits, while Commercial hit at will and established a record for high score in the league.

Hines' work for Commercial, was the banner effort of the day. He made two pretty stops and got five hits out of five times at bat, one of which went for a double.

American National is scheduled to play Washington Loan and Trust today and it will endeavor to hold the score closer than National City did yesterday. By way of explanation, it may be said that the American National team has not played as much ball as the other teams this year. Today's game will be the first in many days that the team has gotten together.

Game Today—Southern vs. Trainmen, at Fifth street and Florida avenue northeast.

Yesterday's Result—Trainmen, 4; Car Department, 2.

In a hard fought eight-inning game, the Trainmen succeeded in nailing out a victory over Car Department, 4 to 2.

A great deal of the credit for the victory should go to Ryan, for "Old Cy" was in prime condition, only three hits being earned off him by the opposition and nine players biting the dust by the strike-out route.

For six innings it looked like a sure victory for Car Department, but in the seventh round the Trainmen started a rally which gave them the game.

White played a star game at short for the winners, having seven chances and handling them all cleanly.

We Place on Sale the Surplus Stock of Two of Baltimore's Largest Clothing Manufacturers at

THIS season has been a poor one for the retailer. The fact that it was bad for the retailer makes it just as bad for the wholesaler—and manufacturer. When a retailer can't sell, he doesn't re-order. When retailers fail to re-order, the manufacturer fails to remove his wholesale stock.

This condition presented itself to two of Baltimore's largest manufacturers of men's high-grade clothing. They offered us their accumulated surplus at prices we couldn't turn down. When you see these suits and the prices at which we have marked them—just half regular selling prices at this season—you won't be able to turn them down either.

These suits are cut in the most advanced styles—the kind that will prevail next season as well as this. We are compelled to withhold the manufacturers' names as it would be an injustice to local retailers who earlier in the season were compelled to pay regular wholesale prices and are therefore unable to offer the suits at anywhere near the prices we have marked them.

CURES S.S.S. BLOOD POISON

Contagious Blood Poison is the most powerful and destructive of all blood disorders. It corrupts and vitiates the entire circulation and manifests itself in the most hateful and loathsome symptoms, such as ulcerated mouth and throat, copper-colored spots, and even some and ulcers on different parts of the body. The poison causes the hair and eyebrows to fall out, and sometimes the finger nails come off and the entire glandular system is attacked. No medicine can cure Contagious Blood Poison which does not rid the circulation of every particle of the insidious virus. The least taint left in the blood will break out afresh, when treatment is left off. S. S. S. is the real and certain cure; it goes into the blood and by removing every particle of the poison, and adding rich, healthy qualities to the circulation, forever kills this powerful disease. All who suffer with Contagious Blood Poison may cure themselves in the privacy of their own homes by using S. S. S. and following instructions contained in our Home Treatment Book, which we will send, together with any medical advice desired, free to all who write.
